INSTRUCTION TRAFFIC SAFETY EDUCATION

The district shall provide traffic safety instruction for eligible students. A fee shall be assessed to cover costs. All fees collected will be expended on the Traffic Safety Education program. In order to stabilize traffic safety fees from year to year, a portion of the fees may be accrued for future program needs and equipment replacement.

The board directs the superintendent to implement procedures dealing with program supervision; curriculum development; student enrollment criteria, including but not limited to age of student and enrollment status of student; student progress; and collection and refunding of student fees.
